

Los AGAVES

Description

Los Agaves is a Real Estate development inspired by the traditional Mexican hacienda. A space that rescues the essence of old ranches and the concept is reinforced by the sumptuosity of maguey as a creative and transcendent element of culture.

The architectural design shows warm colonial-style halls and the vegetation of their patios. It is an invitation to rest in a cozy space that embraces you detail by detail.

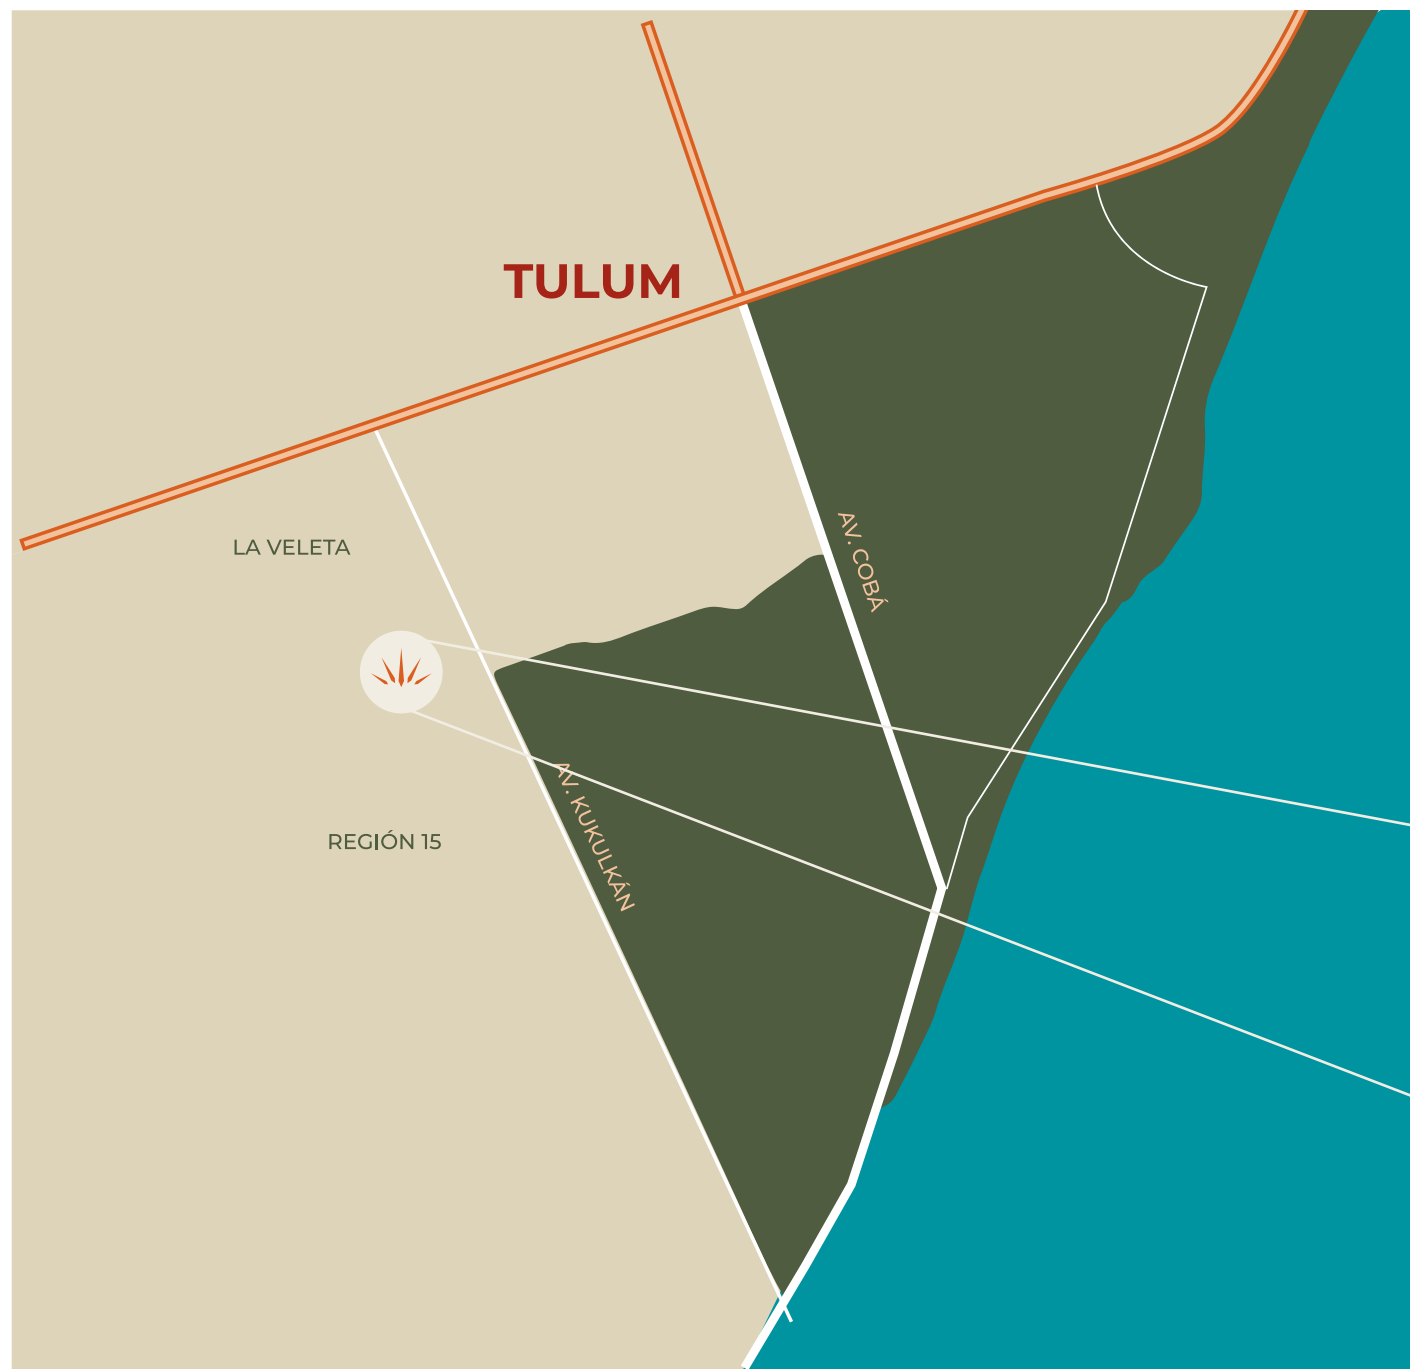

What is Los Agaves about?

Los Agaves is built on a 4,779 sq ft lot with only 8 units that guarantee comfort: 6 one-bedroom and 2 two-bedroom apartments; distributed in 2 buildings of 3 levels.

This development includes amenities such as a swimming pool, barbecue area, lounge chairs, coworking area and parking. It also provides an investment scenario with quick returns, due to the size of the project, construction progress and current market conditions.
